

PARENT GUIDE 2026

Welcome to Rainbow Kids Playschool. This document provides you with guidelines and information on our school's policy and general information.

VISION AND MISSION

Rainbow Kids Playschool is committed to providing a program that focuses on the development of young children by creating enriching learning experiences through exploration, discovery and hands-on activities. Our comprehensive curriculum, coupled with trained staff, offers innovative learning through play.

We believe children are born eager and ready to learn! As educators, it is our responsibility to encourage that learning by providing our children with opportunities that will allow them to create their own meanings to the world around them. It is not only important for children to develop the basic skills that will be the foundation for future learning, but also to receive care from loving teachers. Rainbow Kids strives to provide exceptional care in a safe and nurturing environment, create an enriching learning experience for each child and appoint compassionate, qualified staff to care for your child.

At Rainbow Kids our goals for children in our programme are for them to:

- Be active and engaged learners.
- Feel safe and secure when parents leave.
- Develop positive relationships, self-confidence and independence.
- Appreciate cultural diversity.
- Have fun while learning!

We follow an open-door policy. Parents may visit the teachers and children at a time that will not disrupt the class or daily programme.

DROP OFF AND PICK UP

Due to limited parking and high traffic in the immediate area, we only do a drop-and-go in the morning. One of the teachers or class assistants will take your child to his/her class. Please limit your parking time, especially in the area in front of the school (in Zeederberg Street) and the drop-off gate in (Theron Street). Drop-off in the morning is between 07:00 and 08:00.

When picking up your child in the afternoon, please ring the bell at the main entrance or at the gate in Theron st. The gate will be buzzed open. Please check that the gate is properly closed before you proceed. You will be allowed to fetch your child from his/her class.

If someone other than yourself is fetching your child from school, you have to notify the class teacher, either by phoning the school or via WhatsApp.

THE FIRST DAY OF SCHOOL

Children react differently to new experiences. Until they adjust to their new school environment, it is not unusual for a child to have a tearful separation from his/her parent. Be assured that they will be comforted until they feel secure.

We suggest that you, prior to arrival, discuss his/her new routine and coming to school with your child. Telling him/her what to expect helps to ease anxiety. It might take a week or two for him/her to feel at ease in his/her new environment.

CLOTHING AND WHAT TO BRING TO SCHOOL

ALL CLOTHING, BOTTLES AND BAGS MUST BE MARKED WITH YOUR CHILD'S NAME.

Please dress your child in older clothes as messy activities are extremely important for his/her development.

- Lunchbox for 10:00 snack.
- Water or juice (NO fizzy drinks).
- Clean change of clothes and underwear.

Please do not send any sweets to school in the lunchbox from Monday to Thursday. Friday is treat day, and a sweet or chocolate is allowed. *Eating healthy is a lifestyle, not a diet.* We strive to teach children a healthy eating lifestyle from a very young age. A document with suggestions on healthy snack boxes can be e-mailed to you on request.

We have a strict NO toy to school policy. Toys break, get lost and cause trouble. Please do not send any toys to school, unless it is a "soother" to take naps with. We will not accept any responsibility for lost, broken or missing toys.

MEALS

Breakfast and lunch are prepared on the premises daily. The menu will be provided on a Monday for the week. No child will be allowed to eat breakfast or lunch from home at school, except for medical reasons. A snack will be provided in the afternoon.

DAILY PROGRAMMES

Each class has a daily routine to suite the ages of the children. The daily routine will be discussed and handed out at the first parent meeting of the year.

BIRTHDAYS

Birthdays are very special and therefore we encourage you to celebrate it at school. It is not compulsory. You are welcome to send a birthday cake/cupcakes. If you choose to provide party packs consider sweets that are not a choking risk. No bubblegum (for example Pin Pop lollipops) please.

HEALTH POLICY

ILLNESS

Children with a high fever or infectious disease may not attend school. We want to prevent the spread of diseases among children and staff. Children can return to school with a confirming medical certificate or after they have had no fever, without medication, for 24 hours.

If a child falls ill or is injured at school, parents will be notified immediately and requested to fetch the child as soon as possible. CURRENT CONTACT INFORMATION IS THEREFORE VERY IMPORTANT.

MEDICINE

Only prescribed medication will be administered at school.

ALLERGIES

At Rainbow Kids Playschool, the safety and well-being of every child comes first. We have a learner with a severe peanut allergy and even a small amount can cause a life-threatening reaction. For this reason, we are a peanut-free school.

No products containing peanuts or peanut butter may be brought to school. This includes all food, snacks, and party treats.

This rule is of utmost importance to protect our learner's safety and we kindly ask for every parent's cooperation and understanding.
